Career Objective

I'm a motivated and dedicated WordPress Developer with over a year of hands-on experience creating websites using WordPress and Elementor. I specialize in turning Figma designs into clean, responsive, and pixel-perfect websites. With a strong foundation in HTML, CSS, and front-end technologies, I focus on building fast, SEO-friendly sites that not only look great but perform well. I'm passionate about solving WordPress-related challenges and always eager to learn and grow. I'm now looking to join a forward-thinking team where I can contribute my skills.

Skill Highlights

- **WordPress:** Figma to WordPress, Elementor, Theme and Plugin Customization, Divi Theme & Builder, WooCommerce, ACF, Responsive Design, PageSpeed & Core Web Vitals Optimization, WordPress Error Troubleshooting, Malware Removal, Website Migration, Cross-Browser Compatibility, FTP & cPanel management
- **Frontend:** HTML5, CSS3, JavaScript, ReactJS, NextJS.
- **CSS Framework:** Bootstrap, TailwindCSS, Ant Design, DaisyUI.
- **Backend:** ExpressJS, MongoDB, Mongoose.
- **Tools:** cPanel, Github, VSCode, xampp, npm-yarn, Railway, Postman, Figma, Heroku, Vercel, Superbase, Jira, Trello.
